Maryville, Missouri

November 16, 1960

## Ad. Building Features November Art Exhibit

A colorful wire and cellophane construction welcomes the visitor to the art department's November showing of student art work which is now being shown in the Administration Building gallery.

### Wide Variety Shown

Included in the exhibit is a wide variety of design projects from Mr. Robert Sunkel's metalwork and enameling class, Mr. Richard Miller's materials of art, introduction to art, and costume design classes, and Department Chairman Charles Johnson's oil painting class.

Many bronze and copper wire bracelets and necklaces have been created by Robert Sunkel's students. Pieces number 10, 11, and 12 by Richard Okinaka, Dale Dienstbier, and Steve Corrigan are outstanding in this respect, according to the faculty members.

Natural and commercial materials have been employed by Richard Miller's students to create lively patterned texture studies. Abstract designs predominate in the work of Mr. Miller's students.

He states that these are vividly evident in the several pieces done by Brenda Whitford, Virginia Riggle, Richard Brown, and Rebecca Timerlake.

### Materials Used

Varied types of screen wire and colored construction paper are the media used by materials of art students to fulfill particular form and space problems which now adorn the north wall and ceiling of the gallery.

## William Croy Scholarship Fund Grows

More than \$300 has been contributed to a memorial scholarship fund at NWMSC in the name of William Croy. The 22-year-old Albany high school coach was killed in an automobile accident near Albany October 23.

### To Student Loan Fund

Money contributed in Croy's name will go to the student loan fund. The fund will be listed in the college catalog as the Bill Croy Sigma Tau Gamma Memorial Loan Scholarship Fund.

Loans will be granted on the basis of scholarship and need with preference given to members of Sigma Tau Gamma fraternity, of which Croy was a member.

Earnings from the fund will be used to purchase a medal to be given annually in Croy's name to the outstanding track performer at NWMSC. Croy was noted for his ability in track at NWMSC.

Contributions may be made through Dr. John Harr, NWMSC faculty member and sponsor of Sigma Tau Gamma fraternity.

## Ag Club Meeting

Charles Gillis, Ag Club president, reminds all Ag Club members of their regular meeting tomorrow night, November 17, at 7:00 p.m. in the Administration Building.

## Piano Repertoire Club Attends Iturbi Concert

Saturday evening, November 5, the piano repertoire club went to Kansas City, Missouri, to hear the concert of Jose Iturbi.

Those attending the performance were Donna Wood, Jeanne Davis, Greg Curfman, John Flora, Sandra Gochenour, Martha Shrimsher, Carolyn Houts, Joyce Harr,

Helen Thiesen, Sharyn Thompson, Donna French, Helen Bahr, Lucille Walters, Donna Thies, Jeannie Morris, Tim Johnson, Maynard Potter, Bonnie Carlson, Ron King, Ron Parrish, Jean Parrish, and Joel Pottinger.

## Freese and Boner Chosen Delegates For Wichita Meet

Jack Freese and Carolyn Boner, leader and summarizer for a discussion group, along with three other members, will be sent to the Region VIII Union Board Conference at Wichita, Kansas, Dec. 2-3.

These delegates were chosen by the Union Board executive committee which met Nov. 3 in the Lakeview Room.

The purpose of the coming conference will be to discuss problems common to the union boards of other midwestern campuses.

## Rubinoff to Present Two Violin Concerts

Rubinoff and His Violin, a long-time favorite American combination, will present two concerts at the health and physical education building November 21.

## Who Is Our Dream ... Campus Queen

Some countries are limited to one queen; others have none at all. The Bearcat campus is more blessed than these because it has a number of queens.

This year a Homecoming Queen and an Ag Club Queen have been chosen. What next? Perhaps it's a good time to summarize what's past. How many girls on the campus have been queens during their college careers? At least ten, but the Missourian wants to publish the names and pictures of all.

Any girl who has been chosen a queen of anything (from Miss America to Miss Podunk Center to Miss Potato Sack Race Queen) is requested to submit her name to the editor.

## "Harvest Moon" To Be Held Nov. 19

The annual Harvest Moon Ball will be held November 19 from 9:00 p.m. to 1:00 a.m. in the Student Union lounge.

This is a turn-about affair, for the girls invite boys. Only women students of Residence and Freshmen Hall may attend. There will be no admission charge.

Music will be furnished by the Melo-Larks. The traditional "Harvest Moon Song" and "Harvest Moon" will be featured. Decorations will carry out the fall harvest theme.

### Chairmen

Carolyn Boner is the over-all chairman of the dance. Other chairmen are Julia Elmore, publicity; Darlys and Sylvia Vollstedt, decorations; and Patty Bissell, refreshments.

## Library Receives Book From Former Student

Mr. and Mrs. Cleo Gregg, Maryville, recently donated the Ridpath's Library of Universal Literature to the College Library. This series consists of biographies of authors and selections from their works.

An afternoon program will be given for all school children in the area, and a night performance will be given at 8 p.m., according to Dr. Leon Miller, dean of instructions.

### Known to Millions

David Rubinoff, a graduate of the Royal Conservatory in Warsaw, Poland, is well-known to millions both from his current concert appearances, nationwide radio broadcasts with Eddie Cantor, television appearances, and his motion picture engagements.

His program will include such famous selections as the "Warsaw Concerto," Chopin's "Polonaise," Debussy's "Clair de Lune," and Gershwin's "Rhapsody in Blue."

### Violin Worth \$100,000

The famed musician will bring here for his concert the fabulous Stradivarius violin, which is insured for \$100,000.

Sensitive to heat, humidity, altitude, and the risks that beset any treasure of such vast value, the Stradivarius is guarded and handled with extreme care at all times.

An interesting fact is that during certain passages of "Warsaw Concerto," Rubinoff exerts as much as 60 pounds of pressure on the violin.

The Rubinoff performances are being sponsored by the Maryville Lions Club, which is headed by Dr. Leon Miller of the College.

## Reading Clinic Second Session To Start

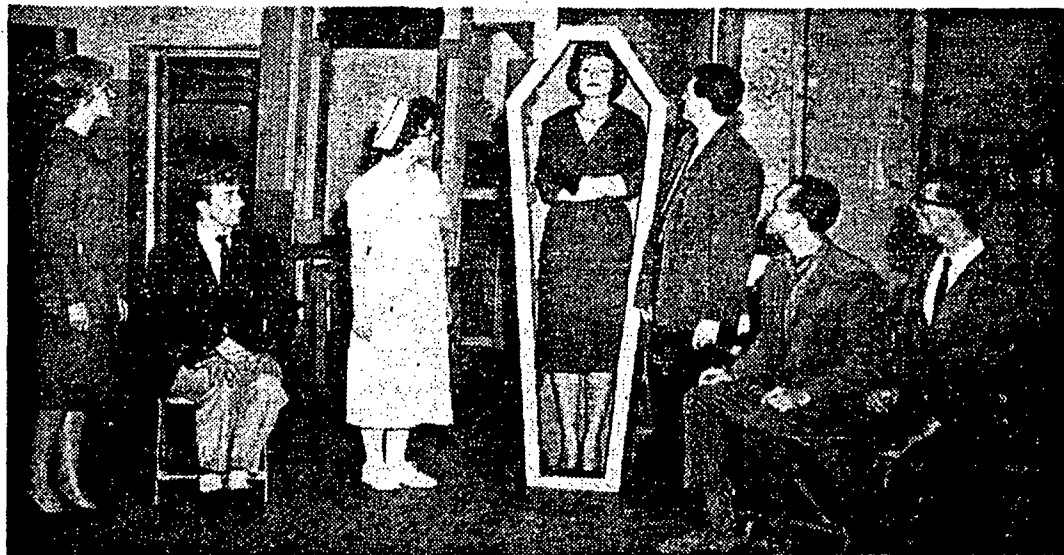

The second freshman reading class begins Nov. 21 in room 108, Classroom building.

All freshmen who have not yet had reading classes are required to enroll this session. This session, part of the Frosh Orientation Course, will last for six weeks.

Mr. Ralph Cater, director, requests students to bring pens, spiral notebooks, and dictionaries to class.

Mr. Cater announced that students could sign up for the session today or Thursday at 4:00, or they may sign up Friday between 9 and 10.

## The Man Who Came to Dinner

Miss Marilyn Gillis as Lorraine Sheldon tries the mummy case on for size in a scene from the Moss Hart-George S. Kaufman play, to be presented Nov. 17 and 18 at Northwest State College.

Other characters shown are

Miss Marguerite Donaldson as Maggie Cutlevr; Richard Fetterer as Sheridan Whiteside; Miss Marceline Latham, Miss Preen; John Quast, Banjo; Walter Tibken, Beverly Carlton; and Robert Sandmaier, Professor Metz.

The play concerns the experiences of a noted literary critic, Sheridan Whiteside, who is forced to spend the Christmas holidays in the home of his hostess in a Midwest town.

Presentations both Thursday and Friday nights will begin at 8 p.m.

## NORTHWEST MISSOURIAN

Published weekly at the Northwest Missouri State College, Maryville, Mo., September through July, except during examination periods and after vacations.

Entered as second class matter, November 9, 1914, at the Post Office at Maryville, Mo., under the act of March 3, 1879.

### Letter to the Editor

Dear Editor,

It has come to my attention that our institution, dear old Alma Mater, is missing an opportunity to cash in on a fortune.

To reap a monetary harvest beyond comprehension, I propose to modernize the lake in the entrance to parking lot number six, install a heating device, and advertise it nationwide as the only educational spa in the world.

Romantic Interests

Doing this would also greatly stimulate the romantic life of the college, since the suitors could take canoe trips and bird-watching excursions.

If this plan does not appeal to the administration, then let us wait for colder weather, and as soon as this sea freezes over, (if it ever freezes "completely" over) import Sonja Henie, Carol Heiss, and the Ice Capades group, and stage our own Ice Follies. This would greatly fatten the purse of NWMSC!

Yours until we sit back and bask in the profits,  
Allen Seifert

### Want to Sound Off?

During the last week or so letters to the editor have been given considerable thought here at NWMSC and also at SMS at Springfield.

This policy of open editorial comment by the reader is to give all the Bearcats an equal opportunity of expression, whenever they find fault with any campus problem.

In the November 4 edition of the Southwest Standard there appeared a quite impressive letter to the editor. It is written by a freshman. Let's read some excerpts from it:

To the Editor:

In last week's issue I was happy to notice that someone had the gumption and interest to write a letter to the editor . . .

. . . The point I'm trying to make is this: problems do exist at SMS as with any rapidly growing body but is the only thing we can do as students is gripe about it?

. . . I feel that it is the responsibility of the upperclassmen to lead the lowerclassmen toward a common goal of betterment of the school and not toward the common consensus that bad problems exist. After all, this is our school. If we don't take care of it, who will?

Patrick Conner

A letter of this type or a worthwhile letter will be printed in the Northwest Missourian if students take time out to write them.

Deadline on Letters

The letters must be at the news office, room 109, classroom building, not later than one week prior to publication.

All letters should be signed, but the writer's name will not be printed if he so desires.

### Don't Give Up the Ship!!

Pink slips are coming into style again this year. The registrar's office will be a popular place the next few days, judging by the traffic jams that usually occur in said area the week after mid terms.

Surprised???

By the look on some people's faces I would say the little "pinkies" won't come as a complete surprise (at least the first one or two of them).

An Indication

Pink slips are sometimes an indication that the worst is yet to come—but only if YOU let it. They bring one to the shocking realization that he had better buckle down and "hit the books" or else!!!

One needn't burn the midnight oil every night or become a book worm to get out of this dilemma—it is surprising what one can accomplish scholastically with just a little effort. After all, what are we here for?

Don't let the "pinkies" get you down! A defeatist attitude will get you nowhere fast. My advice is "get with it." Bring up those grades in the coming weeks!!

Don't be an "also ran" when it comes to final grades. Get in there and give it the "old college try"—NOW.

—Jodine Ryan

### Thanks Extended To Republicans

Mr. Jim Owens, representing the Young Republicans of Nodaway County, expressed appreciation to the Young Republicans of NWMSC for their help in distributing literature and backing the county organization at the College club's meeting, November 7.

It was reported that the NWMSC club had received a \$25 donation from the Central committee.

The Young Republicans chose Owens to contact the social science department about the magazines concerning political science in the library.

### Richard L. Miller To Attend Exhibition

Mr. Richard L. Miller, member of NWMSC art department, will attend the 30th annual exhibition of the Springfield Art Museum November 18-20.

### Young Demos Attend Rally

Fourteen members of the College Young Democrats Club attended a county wide rally of the Democratic Party at the County Courthouse at 8 p.m., Saturday, November 5.

The meeting featured county candidates for the offices of prosecuting attorney, district judge, county treasurer, state representative, and sheriff.

Speakers on the program were Bill Water, candidate for the State Senator; William Hall, candidate for Congress; and Edward Long, candidate for the Senate.

The next meeting of the College Young Democrats Club will be December 5, at 4 p.m., in room 315 of the classroom building.

### LITTLE MAN ON CAMPUS

"I THOUGHT I MADE IT CLEAR—THERE IS NO HOMEWORK FOR THIS COURSE."

### They're Talking About . . .

THEY'RE TALKING ABOUT . . . the noise warnings given during the mid-term week (SHHHHHH!-darnit!) . . . the "no sweat" attitude of some Bearcats as they pass nonchalantly by the registrar's office—don't be too sure about those pink slips . . .

THEY'RE TALKING ABOUT . . . the election (popular votes)—about time for a revamping???? . . . the new mirrors in Freshman Hall . . . extended late leaves . . . the slump after mid-term week . . . s l u m p ? . . . the social science tests . . .

THEY'RE TALKING ABOUT . . . the STROLLER'S new book, HOW TO WIN FIENDS AND INFLUENCE PEOPLE . . . the defiant ones . . . blackmarks . . . the swim team's first meet—good luck, fellows!!

THEY'RE TALKING ABOUT . . . the fact that the girls have been playing second fiddle to the shotgun lately—"My Heart Goes Where the Wild Goose Goes!" . . . the color of hair changing as frequently as leaves on the trees this autumn . . . our approaching holidays . . .

The Stroller has not appreciated the "mid-term elves" who have been aiding students to achieve bigger and better grades. Crib notes, tests out, etc. only show one's ignorance, kiddies. Your warped cheating little minds have the Stroller's heart-felt disdain.

Our brothers in Warrensburg have followed in our flat little footsteps concerning the food protest. Perhaps their action will be as successful as ours!

Swaumieeee Knows

The Stroller is amazed by the fetes he has seen performed in the art of rope-climbing lately. See the right people, kiddies, and who knows—maybe they'll sign you up with WRINGLING BROTHERS!!

### W.W. II Display Shown This Week

Do these names sound familiar to you—Tito, Hitler, Eisenhower, and MacArthur?

And for saddening and desolate memories, how about Belleau Wood, Corregidor, Cassino, Guadalcanal, Anzio, Iwo Jima, Bastogne, and Okinawa?

These places are battles of World War II, and in reference to World War II, you might stop and notice the main display case in the Classroom Building. The display is a complete coverage of the "Great War," and is composed of charts, maps, and various articles.

The breakdown of events is: Introduction — Besieged Germany and Japan; the Western Front; the Mediterranean Front; the Russian Front; the Asiatic Front; the Pacific Front; the Supply Line to Victory; and the Conclusion.

Or is there a conclusion? What about Korea? What about the "Cold War?"

The display concerns ONE WAR, ONE WORLD.

## Life With the Bearcats

Marilyn Larson, sophomore, and Gary Frueh, junior, were formally pinned November 8. Miss Larson is a Tri Sigma pledge and Frueh is a TKE.

Shelia Duncan, sophomore, and Pat Frederick, a former NWMS student, were engaged recently. Miss Duncan is a member of Alpha Sigma Alpha. Frederick is stationed at a United States Air Force base in Texas.

Paula Osborn, sophomore, and Ken Cummins, senior, were engaged recently. Miss Osborn is a member of Alpha Sigma

Alpha and Cummins is a Phi Sig. A December 20 wedding is being planned.

Carol Bugg, junior, majoring in French, and Jack Seippel, president of St. Joseph Junior College, were engaged recently. Miss Bugg, a transfer from St. Joseph J.C., is an Alpha Sigma Alpha pledge.

Loretta Roach, senior majoring in physical education, and Harley Kissinger are pinned. Kissinger, manager of the Kissinger Greenhouses in Maryville, is a graduate of Missouri University. He is a member of Delta Chi social fraternity.

## Phi Lambda's to Have Open House Nov. 20

Phi Lambda Chi will have an open house Sunday, November 20. The general public is invited to attend, especially College personnel. Coffee will be served throughout the day.

In charge of the open house event is Rex Burgett, chapter president.

## Dance Club Meet This Afternoon

The Dance Club will meet at 4:30 today in the women's gym. Plans will be made for the club's dance number to be given at the AAUW's Christmas program.

Sarah Beth Kurtz, junior, is the student director of the organization.

## TKE Pledge Class Elects Officers

Tau Kappa Epsilon pledges for the fall semester recently elected their officers. Those named to office were Jim Dick, president; Mike Travis, vice-president; Dick Messbarger, secretary; and Larry Dalbey, treasurer.

## Elliotts Have Baby Girl

Mr. and Mrs. Ron Elliott are the parents of a baby girl, Julie Elaine, born November 10. The baby weighed 9 pounds, 2 1-3 ounces.

Mrs. Elliott is a member of the Northwest Missourian staff. She is a graduating senior working toward a degree in elementary education.

Mrs. Elliott, who lists Carson, Iowa, as her home town, taught third grade at Palmer Park, Maryland, for one year while her husband was stationed at a United States Air Force base near there.

The Elliotts, who live in College Heights, have another daughter, two-year-old Sheryl Lynn.

## Brown Attends National Meeting

Mr. Everett Brown, director of teacher placement at the College, attended the National Institutional Teacher Placement Association convention at St. Louis, November 7 and 8.

Mr. Brown served as a consultant to the discussion "Workshop for People New to Placement."

## Sixteen Pledge Alpha Phi Omega

Alpha Phi Omega has pledged sixteen men for the fall semester. Those pledging are: Lawrence Albright, chemistry major, St. Joseph; James Coen, physics major, Parkville; Richard Dooley, physics major, Maryville.

Tom Earp, history major, Kansas City; Richard Gould, chemistry major, Parkville; Jack Gray, political science major, Maryville; Bill Hardesty, chemistry major, Parkville.

Roger Hilton, art major, Parkville; Bill Jackson, premed, Maryville; Jerry Karns, social science major, Anita, Iowa; James Kelker, history major, Red Oak, Iowa.

Patrick Murphy, business major, Red Oak, Iowa; Blackie Reed, business major, Chillicothe; Harry Roberts, engineering major, Pine Hill, New York.

Russell Van Vactor, biology major, Stanberry; and Chris West, journalism major, Gladstone.

## Two on See-Saw At ACE Meeting

The regular meeting of the Association for Childhood Education was held at 7:00 p.m. November 2 in the Kindergarten room at Horace Mann.

### See-Saw Twins

Ann Curd and Janice Heinz were in charge of the program which was based on the five-year old and entitled "Two for the See-Saw."

A skit portraying the five year old's day in Kindergarten was presented by Linda Turner, Pat Rhinert, Peg Leslie, Sharon Cochran, Kay Akers, Sharii Warner and Ann Curd, with Janice Heinz acting as narrator.

Homecoming Committee Chairman reported that the club received \$60.00 from Homecoming this year.

Pat Guertin reported that the Service Project for this year will be a survey on children's books. Those on the committee are Pat Guertin, Linda Swyhart, Sally Branson and Carol Gress.

## DZ's Honor Two At Bridal Shower

Delta Zeta sorority had a baby shower for Mrs. Larry Kimble and Mrs. Karen McMahon November 8 in their chapter room. Martha Whitehead, junior, was in charge of the program.

Co-existence — what the farmer does with the turkey until Thanksgiving.

## Boone Re-Elected To A. V. Position

Mr. Luke L. Boone, director of the instructional materials bureau, was re-elected secretary-treasurer of the Department of Audio-Visual Education at a meeting held in connection with the annual state teachers' meeting.

## Ag Club Attends Livestock Judging

Approximately 125 students participated in the annual Ag Club Livestock Judging Tour held Saturday, November 12.

### Good Representation

The all-day event is sponsored by the Ag Club. 25 FFA and 4-H teams from Northwest Missouri and Southwest Iowa and four college teams from Missouri and Oklahoma took part in the event.

According to Charles Gillis, Ag Club president, livestock came from the College Farm, Stauffdale Farms, Yanike Hog Market, and F. B. Houghton Farm.

Judges for the various classes were livestock judging team from the University of Missouri and representatives of Producers Commission firm of the St. Joseph Livestock Market.

The Maryville Chamber of Commerce and the Nodaway Valley Bank supplied trophies and medals for the three divisions. Missouri Farmers Association provided lunch for the contestants and coaches.

## Know the answer?

What's an eight-letter word which reminds you of good taste, sparkle, lift? The answer's easy—Coca-Cola of course. No puzzle about why it's so popular . . . no other sparkling drink gives you so much good taste, so much satisfaction. Yes, when you're looking for refreshment, the answer's always Coke!

# First Basketball Clinic To Be Held on Campus

Northwest Missouri State College will hold its first basketball clinic in the health and physical education building on November 21.

The feature of the day will be a special preview of the 1960-61 varsity and freshman cage squads.

## Moss in Charge

Planning of the afternoon and evening program is being carried out by Coach Marion Moss, head basketball mentor for the Bearcats. Coach Moss will deliver an address on "Basketball" during the afternoon portion along with talks from Coaches Dale Harrington and Dick Buckridge.

Coach Harrington is coming from the Mt. Ayr, Iowa, high school and Coach Buckridge from William Chrisman high school in Independence, Missouri.

Approximately forty-five other coaches will attend as guests.

The event will revolve around the following schedule:

- 12:30 to 1:00 P.M.—Registration
- 1:00 to 1:50—Coach Harrington will speak on "Zone Defense and Fast Break."
- 2:00 to 2:50—Coach Buckridge will talk on "Offense."
- 3:00—Coach Moss will outline "Basketball in General."
- 6:00—Freshman game (inter-squad)
- 8:00—Varsity game (inter-squad)

Since it is the first event of its kind to be held at the College, the success of the program depends upon the number of Bearcat backers who show interest. If attendance is high, the clinic may become an annual affair.

All college students and Maryville residents are invited to attend the clinic and games are free of charge.

Officials for the varsity game will be Lloyd "Pete" Younger and Joe Merrick, both of Maryville.

## MIAA Conference Meet Cross Country Standings

The conference meet was held on November 5, and the results are as follows: (the winning team is the team with the lowest point score)

- 1st. Kirksville with 22 pts.
- 2nd. Rolla with 64 pts.
- 3rd. Cape with 93 pts.
- 4th. Warrensburg with 106 pts.
- 5th and 6th. Springfield and Maryville tied with 126 pts.

Patronize The Advertisers!

## Bearcat—D. Templeton

Dorsey Templeton, 28, the second oldest man on the squad, is an outstanding offensive tackle and defensive end for NWMSC.

Last year Dorsey was named an all-conference guard. At Highland Junior College, High-

land, Kansas, where he played his first two years of college football, he was named on the second all-conference team as an end his freshman year and the following year as a fullback. As you can see he is quite versatile, playing four different positions in as many years.

He is one of the Bearcat's alternating captains.

Mr. Templeton has been married two years.

Before entering college, Dorsey was a paratrooper.

He is a Math major and a General Science minor.

## MIAA Conference Football Rankings

For those interested persons who have inquired about the league standings, here they are up to November 15.

Team	W	L
Kirksville	5	0
Cape	4	1
Maryville	3	2
Springfield	2	3
Warrensburg	1	4

Other interesting goodies: in leading scorers in the conference, Sanders is second with 10 TD's and Smith is fifth with 3 TD's.

## Bearcat—L. Timmerman

Lonnie Timmerman, a senior 2-year letterman, plays starting offensive guard position for the Bearcats. He is from Corn-

ing, Iowa, weighs 214 lbs., and stands 5' 9".

Lonnie has a double major consisting of Physical Education and Industrial Arts.

He is a member of the Phi Sigma Epsilon Fraternity and holds the rank of Second Lieutenant in the National Guard.

Mr. Timmerman is one of the few seniors on the football squad, who has attended NWMSC all four years.

## Von Braun Assembly Draws Large Crowd

Dr. Wernher von Braun appeared before a large crowd of students and adults in the NWMSC health and physical education building Thursday evening, November 3.

In a diversified and interesting speech, the ballistic expert used examples of discoveries in rockets, thermonuclear physics, medicine, communications, and space conditions.

Dr. von Braun predicted U. S. space advancements in the sixties, but indicated Russia may beat us in some of the earlier phases of the race.

# Bearcats Dump Warrensburg 41-19; to Post 5-4 Season

The Northwest State College Bearcats broke a 1960 home field jinx Saturday to whip visiting Warrensburg State, 41-19, and posted a 3-2 for third place in MIAA play and a 5-4 year, the winningest since 1952.

The 10 seniors who played their last game rose to great heights to give Coach Earl Baker a fine season for his first year as MSC grid coach.

With Kirksville pasting Rolla 54-14 and Cape Girardeau, defending champions, blasting Springfield, 21-0, for first and second places on their 5-0 and 4-1 records, respectively, Maryville swings into the third spot with the 3-2 listing.

## 10 Play Last Game

Those playing their last game for the Bearcats were Ron Ives and Jack Lasley, ends; Dorsey Templeton, George Weed and Jack Mendenhall, tackles; Stewart Cline, Maurice Fulton and Ken Sanders, backs; Vernon Bryant, center; and Lonnie Timmerman, guard.

## Score 6 TD's 5 PAT's

The Bearcats rose to great heights during the first half, pressuring the Mules into mis-

takes and capitalizing on them for six touchdowns and five PAT conversion kicks.

They scored 21 points in the first quarter and 20 in the second. The Mules scored 13 points in the third period and six in the fourth.

Ken Sanders tallied three TD's on runs, Ron Ives took a pass from Fulton for one, Stewart Cline took another pass from Fulton for another and Jack Boyd ran for another. Dave Moyer made all five of his PAT conversion tries. The other one was a pass try for a two-pointer which failed.

As the fourth period started, the Mules trailed 13-41, but they were keeping the Bearcats under fire with passes and long runs.

Midway in the fourth Raglin cut left into the line and then back right, picked up blockers and traveled 69 yards to the Mules' final TD. The kick failed and it was 41-19, Maryville.

Mickey Howard blocked a Mule kick late in the game and Maryville had it on the Warrensburg 5 with 2:05 left in the game.
